

News from Roseharrycove,September 2021

Hello from Roseharrycove, your corner of Paradise !

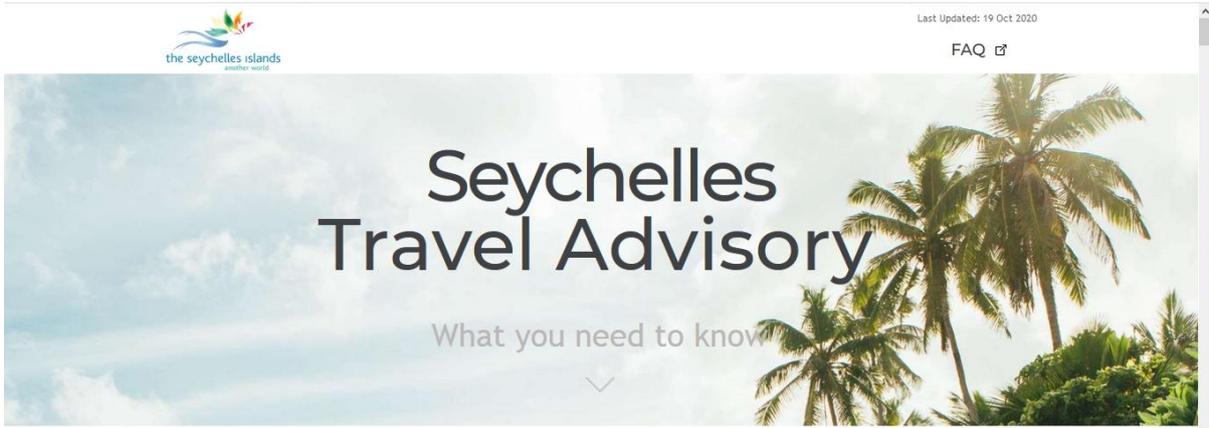

Seychelles has done its part to limit the spread of COVID-19. Tourism operators have been trained to implement COVID-19 safe protocols to ensure safety of clients, staff and the general public. Roseharrycove is a certified Category 1 and category 2 accommodation establishment.

The Seychelles have put into motion a covid vaccination operation, where by Mid-October 2021, it is expected that over 77% of the population should have received 2 doses of the vaccine. As of this week, over 71% of the population have received their 2 doses of the vaccine.

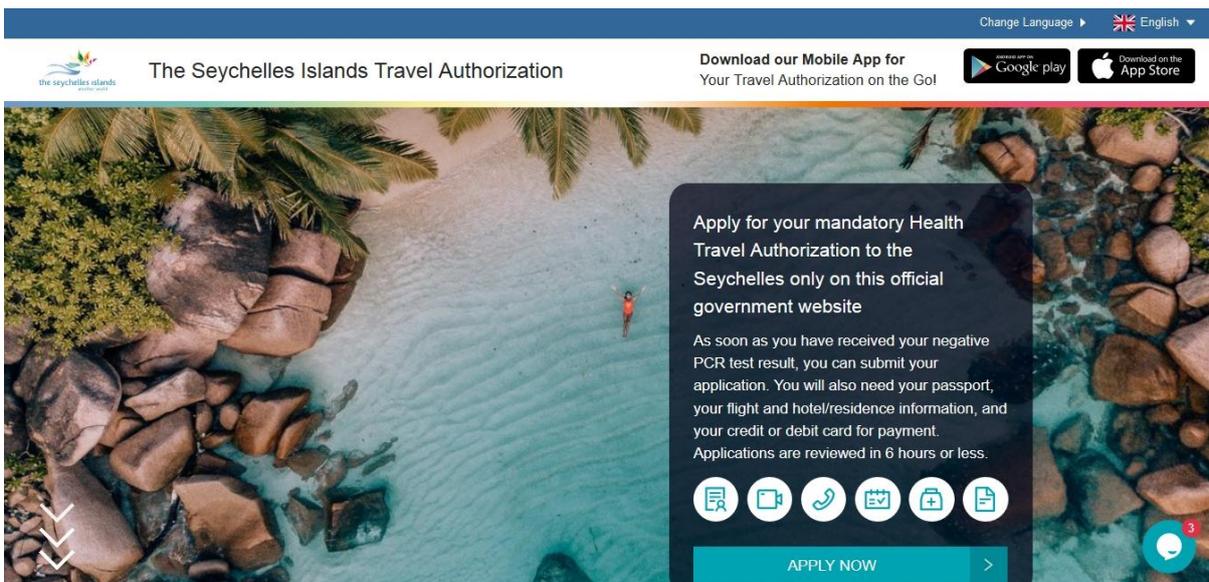

Roseharrycove provides a safe and relaxing environment for its clients. We offer to do shopping and stock up before clients arrive so that the clients have all they need on arrival. Our trained staff is always ready to help make client's stay a memorable one.

Rules for entering the country.

The STB has put in place a webpage which gives clients all info they need to plan their holidays. This site is located at <https://advisory.Seychelles.travel>

The STB has also partnered with a travel related company which has created an APP from which you can received the necessary certification to make your travel arrangements to from Seychelles. The app is located at <https://seychelles.govtas.com>
